- **This ID number will be required when individuals register on My Football Club.**
- **FFA will be setting up an "Add-On Item" in MyFootballClub for each of the Clubs which will essentially be the \$100 discount.**

Player's Uniforms

All players registered in the U21s and older age groups will be required to purchase their own shirts, shorts and socks. The complete uniform will be theirs to keep, so they will be responsible to replace or repair it if it becomes lost or damaged. All other players, (U6 to U18s inclusive), will be provided with a loan shirt, but they will still have to purchase their own shorts and socks.

Players that are given loan shirts will have their shirts issued by the manager of their team closer to the start of the season. At the end of the season the manager will collect the shirts and advise the Committee who has not returned their shirts. Players that do not return their shirts will be charged the cost of a replacement shirt.

Failure to pay for shirts that were not returned may render the player ineligible to register for the next season, until the payment is made. If you still have any "loaned shirts" at home please bring them with you on the registration days, as we will need them to make up kits for 2018. A copy of the Club's Uniform and Equipment Policy can be found on our web site.
