

Greetings,

Now that Easter is over it is now time to kick off the football season this weekend

On behalf of the Bosco Football Club Committee, I would like to welcome each of you to the 2018 Football season. For lots of you this is a well-trodden path, to some it's either yours or one of your children's first season, and to those, a special welcome, we hope that you enjoy your first year and become a part of the Bosco FC family for many years to come.

I would like to introduce myself - my name is Clayton Grigg, I have been a committee member since 2008, This year will be my 4th year as president and previous to that I was the junior registrar, you might have also seen me behind the canteen shutter as for the last 8 years my wife and I have run the canteen.

This year we have over 30 active committee members again, I would like to take this opportunity to thank all the committee members for putting their hand up this season, I am please to say that all positions have been filled, but we are always looking for new committee members, if you would like to join the committee please feel free to contact us and put forward your nomination.

Once again the club has strong numbers but are a little down from last year as I write this letter there are 977 registered players with approx 40 registered in Nursery Squad.

Below is some information for your reference.

### Bosco V Titans day

This year, as in previous years, Bosco FC assists the Titans Club by providing a Buddy Support System, each week, we have volunteer buddy's attend and participate in games held at Coachwood Oval Alfred's point. Buddys are on field partners to players with varying levels of disabilities, taking to the field to assist and encourage the Titans players to participate learn and develop their game and skills, team sport allows for amazing growth and development for all who participate – the fantastic work of Titans Football Club also allows that the parents, families and friends of the players are able to cheer along from the sidelines.

For further background on Titans FC – a club within the association, Titans registers three age groups - Juniors / Intermediates / Seniors all of their registered players have varying levels of disability, Titans teams are scheduled to play against competition teams that may have a bye in their grade.

On 19<sup>th</sup> May - Round 7 Bosco FC will be again hosting the Titans at Woronora Heights Oval, from 12pm onwards we will be having the Bosco V Titans Cup it's a great afternoon and I would ask that you mark this date in your diary and come along to cheer on the Titans.

### Senior Presentation

Due to the success of last year's senior presentation, we have booked Doltone House again for around the same time as last year.

This year we have booked a Friday night again as Saturday nights are already booked for weddings, so the date is Friday 19<sup>th</sup> October.

We have secured another venue for next year, details will be announced later in the year.

Ticket prices will be advertised in the coming weeks.

I hope you all have an enjoyable season and look forward to seeing you all around the grounds.

Feel free to contact myself or any of the committee members if you have any concerns.

Yours in Football
